

# SEVEN FOUNDATIONAL TRUTHS

THE PULSE OF SPIRIT  
NOVEMBER 30, 2016

**DAVID KARCHERE** is a speaker and workshop leader who assists people to renew their Primal Spirituality—an experience that virtually all human beings know at birth, and that ideally grows as they mature.

## *Seven Foundational Truths*

*You are Divine.*

*We embrace the truth of our Being, knowing we are an individualized aspect of the Creator, incarnate in human form.*

*You become what you love.*

*Through our love response to the source of all Being, we play our part with the One Law of Creation, which is the law of cause and effect, and so we become one with Source and a creator of a new day for humankind.*

*In all things, give thanks.*

*Our gratitude for the gift of life, and all that comes with it, allows us to let go of the old human story, which revolves around victimhood, and enter the sacredness of Creation.*

*Wisdom is the active knowing of the One who knows.*

*When our human mind stops trying to dominate the world according to its own self-serving purposes, and opens to the pattern of Creation, it becomes a conscious instrument of the Creator.*

*What the world needs most from you  
is for you to be a sun.*

*Just as the sun is the center of the solar system, we, as human beings, are destined to become a center of warmth, light and gravity for our world.*

## SEVEN FOUNDATIONAL TRUTHS

*You know what you express.*

*Each of us possesses profound gifts and talents that are unique to us. When they are given, our world thrives and we are fulfilled. If those gifts and talents are not given, our world withers and we live in misery.*

*Let love radiate without concern for results.*

*When we open to the flow of Universal Love through our emotional body, and offer it unconditionally to the world, we become a transparent connection to the Divine.*
