Gentle Wisdom Yoga

September 19-22, 2019

This nurturing retreat will take place during the beautiful Colorado fall season and among a

garden, reflection pond, hiking trails and a private gathering room. We will move gently with yoga, cultivate personal intentions to reshape a belief or habit into something more wholesome, explore and experiment with a variety of meditations and have time to integrate it all with time alone as well. The intention is to create a warm and welcoming environment to build a community of women who feel safe, supported and inspired. In this retreat, we will utilize Gentle Wisdom Yoga, Yoga Nidra, and Meditation.

Community in Action

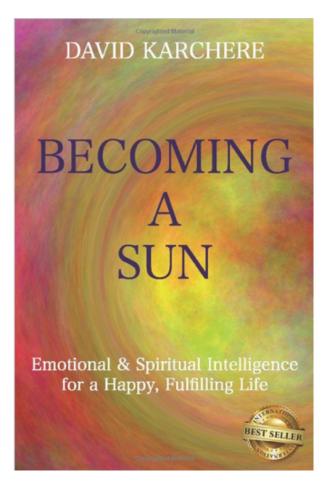

A week after the ARISE Festival, on August 10, Sunrise Ranch community members and the staff from ARISE comb the pastures to pick up any remaining trash. The festival is a leave-no-trace event.

Find out what else has been moving within our community here.

In this video, Spiritual Director David Karchere reads an Attunement Card, "The Spirit of Purification," during the <u>Sunday service</u> in the Dome at Sunrise Ranch on August 11. We invite you to take a few moments and allow the Spirit of Purification into your experience.

Become a Sun with Us!

Quote from Becoming A Sun: What your world, and the people in it, need most from you is for you to be a sun. They need your warmth. Your ability to offer your care for their wellbeing. Your ability to offer blessing. Nothing imposed. Nothing affected. Just the abiding spirit of love, constant in your heart of hearts.

The Seven Foundational Truths

For the next seven months, we will share our <u>seven foundational truths</u> of the human experience. Each one of them offers conscious empowerment for the soul.

We don't recommend blind belief in these statements. Instead, we invite you to reflect on them deeply. Explore whether they are true for you. See if they let you access something that you already know, but might have forgotten. Ponder how your life changes when you embrace the truth of these statements.

2: You Become What You Love

Through our love response to the source of all Being, we play our part with the One Law of Creation, which is the law of cause and effect, and so we become one with Source, and a creator of a new day for humankind.

There is so much more we would love to share with you. Follow us on Facebook to see more!
